

NEST Adventure would like to grab your quick attention below about our package and service before what is our package include and exclude.

Giving a full freedom to make your own choice during the trek NEST Adventure only operates semi package program to Everest Base Camp.

1. What is semi package?

In one sentence semi package indicates, only your essential need for your trek. Which can be Guide, Porter, Permit, and your flight ticket.

2. Why semi package?

A. It's allowed you to make your own choice in food accommodation and planning your budget.

B. You can customize your daily budget.

C. You will pay less tax and services charges to the company, as your budget will be less.

3. How normally other company design package? And what is different with us.

Normally the company designs their package with whole bunch of list, like: Sightseeing, Food, (Lunch/Breakfast/Dinner) Accommodation including airport pickup and drop. But we consider those list are not essential and compulsory which is more flexible and you can organize your won.

Note: Up on your request, package and service might be changed and easily modified. Please give us a quick inquiry (Info@nestadventure.com) with your required list.
